

## BOOK DESCRIPTION

### Does God Exist?

No matter who you are, where you were born, how you were raised, at some point you'll ask yourself this question and you'll begin a journey to find the answer. Along the way, you may ask if it's even possible to know God, if He has a plan for the world, and if God has a plan for you. And is so, what is it?

If you've struggled with questions about God, if you've wrestled with God, if you want to understand and know God, if you want to go deeper with God, but you don't know where to start, you've come to the right place.

By reading *Rediscovering the Divine*, you'll

- See that God has been interacting with humanity from the beginning of time
- Learn what's important to Him and why it's important to you
- Discover a God who's not distant, who speaks to His people in many different ways
- Observe God's struggles with people and discover the source of humanity's struggle with God
- Gain a better understanding of His love, justice, and mercy

You'll take a look at human history, consider ancient writings, and contemplate the future and most importantly, you'll see, experience, and understand God in a whole new way.
